A Message from Mayor Mel Lastman

I am delighted to send greetings, on behalf of Toronto City Council and the people of our great city, to all those attending the Smiles of Innocence fund-raising Charity Ball on November 14, 1998.

The strength and success of any community come from its people and in this respect, our city is truly fortunate. Toronto is a city where people enjoy working together to improve the quality of life and living conditions for others. Many exceptional individuals and organizations contribute to the success and vitality of our city.

The Smiles of Innocence Memorial Charity, an organization of caring individuals, supports the Hospital for Sick Children Foundation through various awareness and fund-raising activities in the community. Events such as this provide the Hospital with the funding necessary for the continued treatment of seriously ill children.

Congratulations to the Charity Ball organizing committee - you've done an outstanding job! To everyone attending this very special event, please accept my best wishes for a most enjoyable evening.

Cordially,

A handwritten signature in cursive script that reads "Mel Lastman".

Mel Lastman
Mayor
